

## 2024 Patron Drive

Support the excitement of the performing arts by becoming a contributor to The Brecksville Theatre! As a member supported/volunteer assisted organization, The Brecksville Theatre serves the community through its programs and productions and directly benefits the economic impact of Brecksville by attracting visitors from surrounding cities. Your tax-deductible donation makes it possible to bring live plays and musicals featuring children, teens, and adults to the Brecksville area. In appreciation, it will be our privilege to acknowledge your support in each of our show programs for the season.

We are also pleased to offer **two free tickets** to any 2024 production of your choice with a donation of **\$200 or more**. We would greatly appreciate any contribution you can provide us for our 2024 season. Refer to back page for further details. Your contribution will enable us to continue to provide our fine services to the community!

**It is the generosity of our supporters that lights the stage and fills it with drama and music!**
